20 For the purpose of financing the cost of any projects, the board is
21 hereby authorized to adopt the resolution or resolutions and prepare
22 all other documents necessary for the issuance, sale and delivery of
23 the bonds or any part thereof at such time or times as it shall deem
24 necessary and advisable. Said bonds:

- 25 (1) Shall not constitute
 - 26 (a) An obligation, either general or special, of the state; or
 - 27 (b) A general obligation of Washington State University or of the
 - 28 board;
- 29 (2) Shall be
 - 30 (a) Either registered or in coupon form; and
 - 31 (b) Issued in denominations of not less than one hundred dollars;
 - 32 and
 - 33 (c) Fully negotiable instruments under the laws of this state; and
 - 34 (d) Signed on behalf of the university by the president of the
 - 35 board, attested by the secretary or the treasurer of the board, have
 - 36 the seal of the university impressed thereon or a facsimile of such
 - 37 seal printed or lithographed in the bottom border thereof, and the

1 coupons attached thereto shall be signed with the facsimile signatures
2 of such president and secretary;

3 (3) Shall state

4 (a) The date of issue; and

5 (b) The series of the issue and be consecutively numbered within
6 the series; and

7 (c) That the bond is payable both principal and interest solely out
8 of the bond retirement fund;

9 (4) Each series of bonds shall bear interest, payable either
10 annually or semiannually, as the board may determine;

11 (5) Shall be payable both principal and interest out of the bond
12 retirement fund;

13 (6) Shall be payable at such times over a period of not to exceed
14 forty years from date of issuance, at such place or places, and with

16 (7) Shall be sold in such manner and at such price as the board may
17 prescribe;

18 (8) Shall be issued under and subject to such terms, conditions and
19 covenants providing for the payment of the principal thereof and
20 interest thereon and such other terms, conditions, covenants and
21 protective provisions safeguarding such payment, not inconsistent with
22 RCW 28B.30.700 through 28B.30.780, and as found to be necessary by the
23 board for the most advantageous sale thereof, which may include but not
24 be limited to:

25 (a) A covenant that the building fees shall be established,
26 maintained and collected in such amounts that will provide money
27 sufficient to pay the principal of and interest on all bonds payable
28 out of the bond retirement account, to set aside and maintain the
29 reserves required to secure the payment of such principal and interest,
30 and to maintain any coverage which may be required over such principal
31 and interest;

32 (b) A covenant that a reserve account shall be created in the bond
33 retirement fund to secure the payment of the principal of and interest
34 on all bonds issued and a provision made that certain amounts be set
35 aside and maintained therein;

36 (c) A covenant that sufficient moneys may be transferred from the
37 Washington State University building account to the bond retirement

1 any installment of interest or principal and interest coming due on the
2 bonds or any of them;

3 (d) A covenant fixing conditions under which bonds on a parity with
4 any bonds outstanding may be issued.

5 The proceeds of the sale of all bonds shall be deposited in the
6 state treasury to the credit of the Washington State University
7 building account and shall be used solely for paying the costs of the
8 projects. The Washington State University building account shall be
9 credited with the investment income derived pursuant to RCW 43.84.080
10 on the investible balances of scientific permanent fund and
11 agricultural permanent fund, less the allocation to the state
12 treasurer's service ((~~account~~ ~~[fund]~~)) fund pursuant to RCW 43.08.190.
13 During the 2001-2003 fiscal biennium, the legislature may transfer from

17 read as follows:

18 Within thirty-five days from the date of start of each quarter all
19 collected building fees of each such community and technical college
20 shall be paid into the state treasury, and shall be credited as
21 follows:

22 (1) On or before June 30th of each year the college board if
23 issuing bonds payable out of building fees shall certify to the state
24 treasurer the amounts required in the ensuing twelve-month period to
25 pay and secure the payment of the principal of and interest on such
26 bonds. The state treasurer shall thereupon deposit the amounts so
27 certified in the community and technical college capital projects
28 account. Such amounts of the funds deposited in the community and
29 technical college capital projects account as are necessary to pay and
30 secure the payment of the principal of and interest on the building
31 bonds issued by the college board as authorized by this chapter shall
32 be exclusively devoted to that purpose. If in any twelve-month period
33 it shall appear that the amount certified by the college board is
34 insufficient to pay and secure the payment of the principal of and
35 interest on the outstanding building bonds, the state treasurer shall
36 notify the college board and such board shall adjust its certificate so
37 that all requirements of moneys to pay and secure the payment of the

1 principal and interest on all such bonds then outstanding shall be
2 fully met at all times.

3 (2) The community and technical college capital projects account is
4 hereby created in the state treasury. The sums deposited in the
5 capital projects account shall be appropriated and expended exclusively
6 to pay and secure the payment of the principal of and interest on bonds
7 payable out of the building fees and for the construction,
8 reconstruction, erection, equipping, maintenance, demolition and major
9 alteration of buildings and other capital assets owned by the state
10 board for community and technical colleges in the name of the state of
11 Washington, and the acquisition of sites, rights-of-way, easements,

13 of principal of and interest on any bonds issued for such purposes.
14 During the 2001-2003 fiscal biennium, the legislature may transfer from
15 the account to the state general fund such amounts as reflect the

24 created in the state treasury. This account shall consist of funds
25 transferred or paid for the disposal or transfer of real property by
26 the department of natural resources under RCW 79.01.009. The funds in
27 this account shall be used solely for the acquisition of replacement
28 real property and may be spent only when, and as, authorized by
29 legislative appropriation. For the period July 1, 2001, to June 30,
30 2003, moneys in the account may be transferred to the following

1 legislative appropriation. The interagency committee for outdoor
2 recreation shall administer the account for purposes specified in this
3 chapter and shall hold it separate and apart from all other money,
4 funds, and accounts of the interagency committee for outdoor
5 recreation. Grants, gifts, or other financial assistance, proceeds
6 received from public bodies as administrative cost contributions, and
7 any moneys made available to the state of Washington by the federal
8 government for outdoor recreation may be deposited into the account.
9 During the 2001-2003 fiscal biennium, the legislature may transfer from
10 the account to the state general fund such amounts as reflect the
11 excess fund balance of the account.

12 **Sec. 306.** RCW 79A.25.200 and 2000 c 11 s 77 are each amended to
13 read as follows:

14 The recreation resource account is created in the state treasury.
15 Moneys in this account are subject to legislative appropriation. The
16 committee shall administer the account in accordance with this chapter
17 and chapter 79A.35 RCW and shall hold it separate and apart from all
18 other money, funds, and accounts of the committee. Moneys received
19 from the marine fuel tax refund account under RCW 79A.25.070 shall be
20 deposited into the account. Grants, gifts, or other financial
21 assistance, proceeds received from public bodies as administrative cost
